Remarks from the Editor

Anthony Upchurch

We have made some changes to our newsletter format. The focus of the new format is to provide our readers with updated commercial information.

New Associate

We are pleased to announce that Mark Isaacs has joined American Textile. Mark is a great addition to our team. He has extensive experience in the global textile and adhesives industries.

New Products

New products information remains available to our readers on our website. If you wish to learn about new products in our line, please [click here](#).

New Software

Export documents will have a new appearance. We have installed a new integrated software package from Shipping Solutions. The software will simplify and speed document processing and generation.
